

Driving Directions to Knowles Mercy Center

NOTE: Knowles Mercy Center is not physically in the city of Waterloo, but closer to Venice, NE, near the Platte River. Waterloo is just the mailing address

Coming from Omaha on Dodge

Go west on Dodge past Village Point Shopping Center and Elkhorn. Take the Wahoo exit off Dodge. Do NOT take the Waterloo exit. Come to a stop sign and then go across the road remaining on West Dodge Road (now two lane). Go about 2 miles to a stop sign where you will see a sand pit. Take a left on to 264th Street. Go about 1½ miles to Pacific street where you will go right. Follow Pacific Street, it curves and becomes Campanile Road. You will go about 1 ½ miles. Look to your right. The building sits up on the hill. You have gone past the retreat center if you come to West Center Road/Highway 92

Via Highway 275

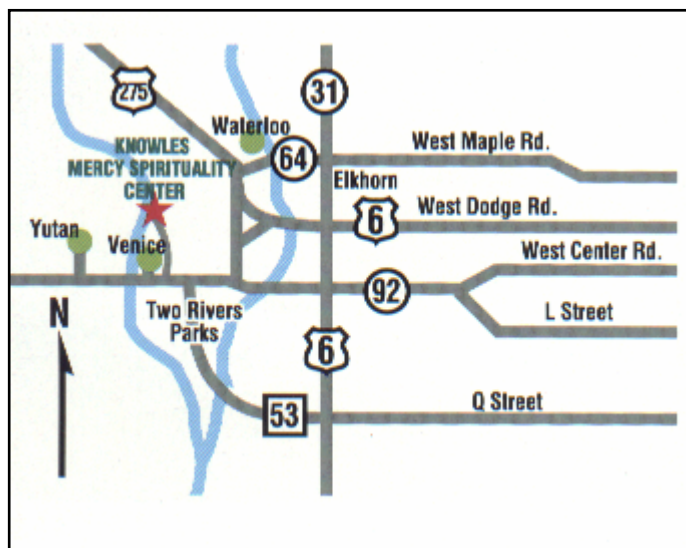

Take Highway 275 (which is 240th St/Hwy 31/Hwy 6) to Pacific Street. Turn West on Pacific and go 3.7 miles (continue past the stop sign at 264th Street. The road will curve to the South (left) and the name will change to Campanile Road). Follow this road until you see the Knowles Mercy Spirituality Center on the right. *

* The KMS Center is on the West side of the road. It says "Knowles Mercy Center" on the front of the building and it has a white cross. It is a cream colored building with a circular drive. Park around the driveway, on the grass.

Via Highway 92 (West Center Road)

Drive to West Center Road (about 19 blocks South of Dodge Street). Take West Center Road (also named Hwy 92) **West** until you dead end (come to a stop sign). You will continue on highway 92 by taking a left at the stop sign. You will pass 264th St where there is a flashing traffic light and a gas station called the "Merchant of Venice" (keep going West approximately 1 mile). There is a sign for Campanile Rd and for the Knowles right where you need to turn. Turn right (North) on Campanile Road. (If you cross the Platte River, you have gone TOO FAR - turn around and come back over the Platte River bridge and take the first left.) Drive ¼ mile North on Campanile Rd. to the Center on your left. *
