SABBATH DAY/OVERNIGHT STAY (for individuals)

When is the last time you took a complete day away for yourself...a day when you could do whatever your spirit longs for...a day for placing your own health and wholeness of body, mind, and spirit as the top priority? We invite you to give yourself (or a friend) a day at Knowles Mercy Spirituality Center. You will have a comfortable private room and use of all the Center's amenities: chapel, library, dining area, and grounds. WHAT DOES THE CENTER OFFER?

A DAY AWAY FOR YOUR STAFF

You are invited to give your staff/work team the gift of time and space to reflect with colleagues on personal and professional values and meaning in the context of their work life. Knowles Mercy Center offers the perfect environment and surroundings for your staff/work team to engage in planning and team building; retreat and recreate together; away from the hecticness of your professional environment.

We invite you and your team to place the wholeness and wellbeing of your group as a priority - spend a day/overnight at Knowles Mercy Center.

Imagine your group working together in a peaceful natural setting of our Center. The Knowles Mercy Center property, on the banks of the Platte River, feature woodland paths to the river, a meditation deck, and an outdoor labyrinth.

Your day will begin with an easy drive to the Center, just 15 minutes west of Oak View Mall on West Center Road. Our staff will greet you and offer a quick overview of the Center's amenities and grounds. The day will then be yours.

To assist you in your staff retreat, the Center offers our conference room, chapel, and dining area with food service options (provided by our staff or you are welcome to bring your own food and use our kitchen facility). Overnight stays are also available for groups of 15 or less.
